**NEWSLETTER SEPTEMBER 2018**

Hi friends

We were disappointed in the poor attendance of our members at the August meeting. Was it because of the cold weather or was it because Elize Parker is not a well known writer. We apologize for the poor sound and that some members could not hear properly and as a result lost interest. It remains a problem to satisfy everybody as we do not know their interests. We often ask members to tell us of speakers, singers or other entertainers that they know of. Just give us their names and telephone numbers and we will contact them

**Our program for the next few months is as follows;**

***SPRING IS HERE AT LAST!! Dress in the spirit of spring even if you have to put on something warm. Put a colourful hat on your head or put a flower or a bow in your hair and enjoy yourself on the dance floor.***

**6 SEPT; MONTHLY MEETING;** Our Spring Meeting and Cyril Dicks will sing for us. Each member must bring a plate of snacks. Tea and coffee will be served. Members will not have to pay entrance fee at this function but they will nevertheless receive 50/50 tickets for the lucky draw. Sherry will be served to get you in the right mood. Bring a bunch of flowers to decorate your table.

**4 OCT; MONTHLY MEETING:** Finnie Nimb of the S A P will visit us. They work with traumatized children and give them clothes, toys and something to eat. If you perhaps have anything that they can use please bring it along I'm sure it will be most welcome.
