HERMANUS SOCIAL CLUB - SEPTEMBER 2018

*Never cut a tree down in the wintertime.
Never make a negative decision in the low time.
Never make your most important decisions when
you are in your worst moods. Wait. Be patient.
The storm will pass. The spring will come.*

SPEAKERS FOR CLUB MEETINGS

12th September
This is the month of Spring. Join us for a **spring surprise tea** and enjoy a presentation by John Saunders. "Easter Island is a truly fascinating and mysterious island. A brief history about the island, its people and the statues. How the huge statues were carved and

theories on how the statues were moved around the island".

10th October - Kate Gledhill - "Scary or sweet?"
An introduction to South African shark biodiversity" She is a Research Affiliate and PhD student with the Molecular Breeding and Biodiversity (MBB) Group in the Department of Genetics at Stellenbosch University and the University of Technology Sydney, Australia.

The much awaited lunch at the Hermanus Hebrew Synagogue was a huge success. A member of the synagogue gave us a very interesting talk on the history of Judaism, followed by the traditions of the Jewish faith. His talk aroused great interest amongst our SAARP members with many questions being asked. This was followed by the delicious kosher lunch. A HUGE word of thanks goes to Hilary Solomon for the months of planning and organising of both the venue and the meal. A great deal of work goes into organising such an event. Her commitment and dedication to SAARP Hermanus is greatly appreciated.

HAHAHA

A blind man enters a bar and finds his way to a barstool. After ordering a drink, and sitting there for a while, the blind guy yells to the bartender, "Hey, you wanna hear a blonde joke?" The bar immediately becomes absolutely quiet. In a husky, deep voice, the woman next to him says, "Before you tell that joke, you should know something. The bartender is blonde, the bouncer is blonde and I'm a 6' tall, 200 pound blonde with a black belt in karate. What's more, the fella sitting next to me is blonde and he's a weightlifter. The woman to your right is a blonde, and she's a pro wrestler. Think about it seriously, mister. You still wanna tell that blonde joke?" The blind guy says, "Nah, not if I'm gonna have to explain it five times."

I have been offered a larger luxury bus and extra accommodation for the planned trip to Piekenierskloof/Citrusdal. I am offering a few more places on a first come first served basis.
