Irish Craic and Humour

An elderly Irishman bought a sports car to recapture his youth and drove at 120mph. Then he saw a police car behind him, blue lights flashing. "I'm too old for this nonsense," he thought so he pulled over.

The police officer said, "Sir, my shift ends in 10 minutes. If you can give me good a reason why you were speeding, I'll let you go."

The old man said, "Years ago my wife ran off with a policeman. I thought you were bringing her back."

"That'll do," said the policeman.
