**NEWS LETTER- SEPTEMBER 2018**

Friends

The trip to the Monastery was such a lovely day. The sun was shining and it was warm, as well as the company. The little catering establishment saw to all our needs both for morning tea and at lunch time. I had been there before but I must be honest, I found it just as interesting, having forgotten what there was. The Church was quite large but very simple in appearance, nothing showy about it at all. Thank you Marlene for always surprising us. I am quite certain everyone enjoyed themselves. I hope you will have a little laugh at the following:

A young man knocked and when the door was opened he said "I'm a Jehovah's Witness" The home owner invited him in and offered him a seat. "Now, what do you want to talk about?" The young man said, "I don't know. I've never got this far before"

Cheers

Jo

Hi Folks

Thank you to everyone who came to the soup and pud lunch and enjoyed the morning with fun and games. I would like to **thank** all my helpers who helped with tables, flowers and in the kitchen "**Thank you**"

The outing to Marianhill Monastery went off very well, and some reports back to me everyone had a wonderful day even though the office somehow did not let the Tea Room know that we were coming. The waiter did his very best to help us all plus having to deal with other customers.

### Giggle

A participant in one of the current crop of talent shows was asked what he did for a living.

He replied with a detailed account of his little stall which sold sweets, chips, fruit etc. on the side of the road.

"Oh," said the Judge, "you're a vendor?"

"No sir, definitely not... I'm a Zulu!" came the indignant reply.
